

Annual Reports of the Town of

AUBURN

NEW HAMPSHIRE

1955

VILLAGE SCHOOL

For the Year Ending December 31, 1955

The Village School was built in 1940. It consisted of Grades 1 to 4 in one room and Grades 5 to 8 in the second room. It has a central oil heating system and modern conveniences.

Enrollment has constantly increased and in 1949 an addition of two more rooms was made. At the present time it accomodates 150 pupils.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

Rockingham, S. S.

(L. S.)

To the inhabitants of the Town of Auburn, in the County of Rockingham in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Auburn on Tuesday, March the 13th, next at ten of the clock in the forenoon, to act upon the following subjects:

First: To bring in your ballots for:

Town Clerk for the ensuing year,
One Selectman for three years,
Tax Collector for the ensuing year,
Town Treasurer for the ensuing year,
Highway Agent for the ensuing year,
One Library Trustee for three years,
One Cemetery Trustee for three years,
One Trust Fund Trustee for three years,
Three Auditors for the ensuing year,
Overseer of the Poor for the ensuing year,
Police Chief for the ensuing year.

At seven o'clock in the evening, the meeting will be open for the following articles:

Second: To see if the Town will vote to incur debt for Temporary Loans in anticipation of taxes.

Third: To see if the Town will vote to accept such Trust Fund as may have come in during the year and such Trust Funds as have not been previously accepted.

Fourth: To see if the Town will vote to use the income of the H. B. Burnham fund for schools or library.

Fifth: To see if the Town will vote to appropriate a sum not exceeding \$34,000. for the purpose of making improvements to the following Class V roads within the Town;

No. 72 (Wellington Road)	No. 62 (Dearborn Hill Road)
No. 52 (Coutinho's to Candia Line	No. 65 (Deerneck Road)
Nos. 65 & 67 (Rattlesnake Road)	No. 61 (Depot Road)
	No. 70 (Pingree Hill to Giunesso's)

such sum to be raised through the issuance of bonds or notes under and in compliance with the provisions of chapter 83, Laws of 1951 as amended by Chapter 31, Laws of 1953, and to authorize the Selectmen to determine the date and place of payment of such bonds or notes and to determine the rate of interest thereon, and to take such other steps as may be necessary to negotiate such bonds or notes as shall be to the best interests of the Town of Auburn, New Hampshire.

Sixth: To see if the Town will vote to set aside \$500.00 being part of an unexpended balance for the year 1955, as a Capital Reserve Fund to be used toward the purchase of a new Town Grader at such time as the Town will vote to purchase one.

Seventh: To see if the Town will vote an amendment to the zoning ordinances as follows: "To establish a new business in the town a permit must be obtained from the Zoning Board."

Eighth: To see if the Town will vote to raise and appropriate a sum not exceeding \$150.00 (less then 1/100 of one percent of the Town's assessed valuation) to the Merrimack Valley Region Association as the Town's proportionate share in publicizing and promoting all interests in this Region, or act in relation thereto.

Ninth: To see if the provisions of Chapter 171A of the Revised Laws Relative to Playing Games of Beano be adopted in this Town. (Vote on official Ballot.)

Tenth: To hear the report of the Budget Committee and act thereon.

Eleventh: To transact any other business that may legally come before the meeting.

Polls will open at 10:00 o'clock A. M. and close at 7:00 o'clock P. M.

Given under our hands and seals this eleventh day of February A. D. 1956.

*Appropriation Submitted Without Recommendation of Budget Committee 1956

HIGHWAY COMMITTEE REPORT

The 1955 Town Meeting adopted Article 5 of the Warrant that included among other matters the recommendation for the appointment by the Moderator of a Rotating Committee. The Committee's responsibility is to draw up a long range program of highway construction and repair.

The Committee since its appointment has met each week from April 1955 to January 1956 exploring and studying the highway needs of the Citizens of Auburn.

Based upon its findings the Committee wishes to present the following recommendations:

Auburn, as well as all other Towns, receive annually an allotment of monies for Road Construction. This is based on an apportionment of 85% State and 15% Town, that is, the State provides 85% of the funds providing the Town appropriates 15% of the allotment. This is known as Town Road Aid, hereinafter referred to as TRA. The actual amount apportioned to a Town is derived from a State fund of \$900,000 and is allocated on a basis of Road mileage in the Town.

The amount annually allocated to Auburn is approximately \$4,000 which must be matched by the Town to the extent of \$600 from which it follows that the total TRA funds available annually to the Town for New Road Construction is \$4,600.

The last five Town Reports show that Auburn has been raising by taxation an average annual amount of \$1,200 for New Road Construction.

In addition to this sum the Town has raised each year \$600 to match TRA, as well as other monies for winter and summer maintenance, bridges and culverts, and general highway expenses, to a grand total of approximately 9400 dollars.

THE PLAN

(Effective July 1, 1956)

Under State Law (Chapter 83, Laws of 1951 as amended by Chapter 31 Laws of 1953) it is provided that a Town may accelerate its Road Construction program by obtaining aid secured by TRA funds.

Since such funds are available under the Law, the Committee has presented to the Budget Committee for inclusion in the Warrant an Article which includes the following recommendation:

That the Town obtain from available State Highway funds the sum of \$34,000 in order to complete all necessary hard surfacing of Auburn's Roads. To this amount will be added the 1956 TRA funds of \$4,600 making a total available for New Road Construction of \$38,600, to be used in the year 1956.

After many hours of deliberation we present to the people of Auburn, for their consideration the reasons why this Committee has arrived at the above recommendation:

1. It is self-evident that all citizens of this Town regardless of where they live are entitled to good roads.
2. School Busses and Mail Routes must have adequate roads every month in the year.
3. The above amount will be repaid at the rate of \$4,600 a year of which 85% (\$4000) will be from State Highway TRA funds and 15% (\$600) which must be raised by the Town for matching purposes.
4. Under this plan the annual amount of \$1,200 which has been appropriated each year for New Road Construction will not be needed. This saving will more than counter balance the interest on the Bond issue as shown by the following table.

	Proposed Plan (Interest)	Old Method (New Construction Apprx.)
1st year	\$850.00	1200
2nd year	735.00	1200
3rd year	620.00	1200
4th year	505.00	1200
5th year	390.00	1200
6th year	275.00	1200
7th year	160.00	1200
8th year	45.00	1200
Total	<hr/> \$3,580.00	<hr/> \$9600.00

The above table shows that the proposed plan will cost the Town \$3,580 over an eight year period whereas the old method would cost \$9,600.

This indicates a total reduction of expenditures of \$6,020 and at the same time surfaces the same road mileage in one year.

Other anticipated savings will be:

- (a) Reduced winter maintenance cost. Reliable information advises that paved roads are less costly to maintain in winter than gravel roads.
- (b) Reduced costs for bridges and culverts.
- (c) Reduced annual graveling costs.
- (d) Reduced equipment maintenance.

Following are roads recommended for surfacing in the plan:

Road No. 62 (Dearborn Hill Road) 16 ft wide with attention to drainage and surfacing of hill tops; 0.72 miles. Estimated cost	\$5,600
Road No. 64 (Deerneck Road) Sta. 14870 to Canfield Brook, 16 ft. wide; 0.75 miles. Est. cost	6050
Road No. 61 (Depot Road) 16 ft. wide for 1000 ft. from Road No. 51. Est. Cost	1800

Road No. 61 (Depot Road) 16 ft. wide for 770 ft. from Rt. 101. Est. Cost	1700
Roads No. 65 and 67 (Rattlesnake Road) 18 ft. wide for 1.3 miles. Est. cost	12,200
Road No. 70 (Pingree Hill to Guinesso's) 16 ft. wide for 0.26 miles. Est. cost	1345
Road No. 72 (Wellington Road) 20 ft. wide for 0.4 miles. Est. cost	4298
Road No. 52 (Coutinhos to Candia Line) 16 ft. wide for 0.64 miles. Est. cost	4851
Total	<hr/> \$37,844

Any funds not expended to be allocated following a conference of the Highway Committee, Selectmen and the Road Agent.

A map showing the above Roads is on display at the Town Hall.

There are Roads in the Town not included in the plan because absence of residences or access to other hard surfaced roads makes it impractical to divert funds from more urgent needs.

Admittedly there may be isolated instances where lack of funds do not permit New Construction, however to the best of our knowledge the roads recommended by your Committee are within the limits of funds available.

Respectfully submitted,

A. J. Staby, *Chairman*
 Nello Panzieri
 C. E. Emery
 A. J. Christie
 Charles Hand, *Secretary*

Surveying lot	27.50
General Maintenance ..	67.04
Insurance	344.60
Fuel Oil	255.03
Red Phones	164.40
<hr/>	
Total	\$1,546.25

One of the projects accomplished by the Auburn Volunteer Fire Department in the past year was an addition to the main building for the purpose of housing our third fire truck, and with the aid of the Ladies' Auxiliary, the firehouse has also been equipped with a modern lavatory.

In the past year, the Department answered fourteen alarms, including three brush and grass fires. As time is of utmost importance in answering an alarm, it is imperative that the *area number* be given when reporting a fire. Anyone not knowing their area number, please contact Chief Edward Sargent.

OFFICERS:

Chief Edward Sargent
Deputy Chief William Dollard
Captain Clarence Newcomb
Lt. Donald MacDonald
Lt. Miner Preston
Lt. John Sargent
President Nello Panzieri
Secretary Charles Nelson
Treasurer George Spofford

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the School District in the Town of
Auburn, N. H., qualified to vote in district affairs:*

You are hereby notified to meet at the Town Hall in said district on the 9th day of March, 1956 at 8 o'clock in the afternoon to act upon the following:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To hear the reports of agents, auditors, committees or officers chosen and pass any vote relating thereto.
6. To choose agents, auditors and committees in relation to any subject embraced in the warrant.
7. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

8. By petition: — To see if the district will vote to raise and appropriate the sum of \$250, said sum to be placed with the Trustees of Trust Funds as the beginning of an account to be known as the School Playground Equipment fund said fund to be used to purchase playground equipment for the Severance and Village Schools. (It is the intent of the petitioners that this be done annually for a period of years) .

9. To transact any other business that may legally come before said meeting.

Given under our hands at Auburn this 23rd day of February, 1956.

MARGARET E. CRONIN, R. N.

School Nurse

YOUR HELPING TEACHER REPORTS

The main aim of this position is to improve education of children. The work is chiefly in four areas:— 1. Teaching Methods, 2. Preparation of Educational Materials, 3. Curriculum Study and Development, 4. In Service Training. I believe that you would be interested in some of the developments in the last two areas.

Major changes have been made in fields of history and geography. The work has been co-ordinated and revisions made in grades four, six, seven and eight. The study areas are as follows:

- grade 4 — New Hampshire and New England
- grade 5 — The United States and Possessions
- grade 6 — Canada, Central and South America
- grade 7 — Eastern Hemisphere
- grade 8 — United States History

This will bring the work in all the schools of the union in step with the proposed state guide.

At the present time, we are making a study of arithmetic through the grades. We are also interested in some phases of the communication skills.

Changes in curriculum and recommendations for improvements frequently require the purchase of new materials and texts. Recent text additions for your youngsters include new reading books for grades five and six, histories and geographies for grades six and seven, science for grades seven and eight with partial sets for the first three grades, English for grades seven and eight, plus additional texts to care for increased enrollments in some grades.

Consideration must now be given to possible text changes in grade eight history and arithmetic for all grades.

In-service training is available to the teachers in several forms. A course in science and health is being offered as an extension from Keene Teachers. The University of New

Hampshire and Boston University are also offering courses in the vicinity. The services of a reading consultant were obtained for this union and all teachers attended the meetings. This service was available for two days. Teacher bulletins are issued regularly with suggestions and the names of suggested articles of educational interest. Special help is offered new teachers.

I believe that the pupils in your schools are doing work comparable to others in similar situations. There is a definite disadvantage in a crowded room with more than one grade for each teacher. However, you realize the financial problems of the community in caring for increased housing and the problems concerned with the shifting of youngsters between schools. There are many factors influencing the education of youngsters, but with the teachers making an effort to give each child the best education possible and co-operation of the people in the community you will have the type of education you wish to provide.

Respectfully submitted,

E. RUSSELL RAYMOND

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Auburn School Board:

I hereby submit my fourteenth report as superintendent of schools in Auburn:

STATISTICAL REPORTS

Enrollment

The total enrollment for the current year is 224 as compared to 198 for the same date last year and 206 two years ago.

The membership by school and grades as of January 31, 1956 follows:

<i>School</i>	<i>Grades</i>								<i>Total</i>
	1	2	3	4	5	6	7	8	
Severance	9	12	9	5	6	6	14	7	68
Village	17	29	21	19	16	20	12	15	149
Totals	26	41	30	24	22	26	26	22	217

The number of Auburn pupils who were in high school on January 31, 1956 were:

<i>School</i>	<i>Grades</i>				<i>Total</i>
	9	10	11	12	
Hood	1				1
Pinkerton Academy				1	1
Manchester	11	14	10	7	42
Totals	12	14	10	8	44

Statistics for the School Year Ending June 30, 1955

Total Registration	204
Half Days Schools were in Session	354
Average Membership	194.52
Average Attendance	182.42
Per Cent of Attendance	93.78
Number of Pupils Transported at District Expense	132

On Thursday, June 16, 1955 diplomas were awarded to the following boys and girls who had completed the work of the first eight grades.

Beauregard, Suzan	Hale, Nancy
Buzzell, Jean	Main, Bertram
Case, Andrew	Main, Joan
Davis, Dale	Mason, Bruce
Ficek, Edward A.	Nye, Gerald J.
Fish, James	Rouleau, Louis
Gianitsis, Andrew	Therrian, Rita
Gianitsis, Sophie	Werzanski, Paul
Glidden, George	

TOTAL ENROLLMENT

Elementary Schools

		<i>Increase</i>	<i>Decrease</i>
Jan. 31, 1956	217	25	
1955	192		4
1954	196	10	
1953	186	23	
1952	163	2	
1951	161	8	
1950	153	12	
1949	141	6	
1948	135	15	
1947	120	8	
		<hr/> 109	<hr/> 4

The net increase over the 10 year period is 105, about a 187% increase. Two additional rooms and teachers have been provided to meet this increase. It has reached the point where action will be necessary to properly house and instruct the Auburn children.

Secondary Enrollments

The increase in secondary enrollments is as dramatic and as great percentage wise although the numbers are not as large.

The increase is 22, from 24 to 46 and approximately 191%.

Enrollment and Housing

The enrollment at the Village School increased by 16 and at Severance 9. The total increase of 25, nearly a 13% increase, has made it seem desirable to reexamine our housing situation.

The Village School is housing 149 children in four rooms. If equally divided, it would mean two rooms of 37 and two of 38. The necessity for giving children a good foundation, however, has made it seem advisable to keep the enrollment for the beginner as low as possible and let the enrollments in the upper grades become greater. The result has been overcrowding in the upper grade rooms. The rooms, however, were designed for 30 pupils and the current enrollment would make it necessary on that basis to have a minimum of 5 rooms. There seems to be no doubt that the current trend of increased enrollments will continue. With this fact in mind it would seem desirable to think in terms of a two room addition. In addition economy of construction and pleasing external appearance of the building would make it also seem desirable to think in terms of a 2 room addition.. This would permit organizing Grades 1-2-3 in 2 rooms 4-5-6 in two rooms and grades 7 & 8 in single classrooms. There would naturally be more flexibility in an expanded plant. The problem has not seem-

ingly affected the Severance School materially since the enrollment holds at about 60.

It will be advisable to have some sort of plans to present to the district perhaps at the district meeting in 1957 to solve the problems of adequate housing.

Personnel Changes

This year in contrast to several of the preceeding years saw a significant number of changes in the teaching force. Mr. Roland Pressey accepted a position in Massachusetts. Mrs. Diane Rosenfeld accepted a position in Manchester and Mrs. Rita Doukas resigned for personal reasons.

The district was again fortunate to secure teachers of some experience to fill the vacancies. Mr. Donald Stritch a graduate of the University of Maine and recipient of a Masters degree from the same institution was secured to fill the position vacated by Mr. Pressey. Miss Louise Bourgeois accepted the position formerly held by Mrs. Rosenfeld. Mrs. Sarah Hampton was secured to fill the position formerly held by Rita Doukas.

There were no changes in the supervisory union staff so that the special services provided on a union basis remain unchanged. Music under Mrs. Kelley was a part of the curriculum. The need for the maintenance of and even adding to the areas of instruction to include more subjects of an avocational nature is increasingly apparent as technological advances result in an increased amount of leisure time. Music is one such subject and the appreciation of music as a part of our daily lives is important. The continued efforts of teachers and handwriting supervisor tends to maintain this area, penmanship, at a high level.

The district is indeed fortunate that its geographic location is such that in no year has the staff been recruited from other than experienced and/or fully trained personnel. The number of positions available generally exceeds the number of persons who by training and/or experience can adequately fill the positions.

Budget

The gross increase in the budget recommended by the board and approved by the budget committee is \$1,283.60. In addition a petition article calls for an appropriation of \$250 to create a cash reserve for playground equipment. If the vote on this article is in the affirmative, this would result in a gross increase of \$1,533.60. The net increase in tax levy is, however, the result of considering two variables expenditures and income. The income item is increased slightly so that the proposed increase in tax levy is \$1,160.54. The action of the legislature in passing a school aid construction bill is reflected in the new income item amounting to \$900.00. This type of aid is provided to meet the situation caused by the necessity of building to provide room for increased enrollment.

Practically all the major budgetary areas show some increase.

The greatest areas of increase are instruction and administration. The increases in both these areas amounting to \$1,107.87 are due primarily to salary increases. This is in line with the whole economy of the country and should be expected.

The \$200 increase in plant operation is due to an increased allowance for fuel. This is due to the fact that oil has increased in price and it is anticipated that it will continue to sell at the higher price.

The decrease in estimated number of pupils attending high school is offset by an increased cost of transportation so that the net charge is an increase of \$110.00.

Fixed charges due to an estimated drop in insurance is lowered by \$84.27 and bond and interest payment drops \$50.00.

In an inflationary spiral to hold as closely to the preceding years budget without sacrificing educational advances is an achievement.

Conclusion

The parents of the pupils of Auburn Schools should read

the report of the helping teacher for the supervisory union. The valuable contribution made to the educational progress of children as groups and as individuals is emphasized by the title assigned, the "helping teacher", a helper to both teacher and pupil.

The sincere concern of the community and of individual citizens for the educational achievement of Auburn children makes pleasurable the planning of its educational program.

Respectfully submitted,

EVERTON H. PARKINSON

Superintendent of Schools
